BUSINESS SUPPORT UNIT

PRINCIPLES OF HYGIENE AND THE USE OF PPE

(PERSONAL PROTECTIVE EQUIPMENT)

Brief

This Skills to Advance programme is developed by Kerry College in response to the COVID-19 pandemic. The training is targeted at frontline staff who work in the services sector. The programme is unassessed and no credits apply.

Training Focus

- Through practical demonstration, you will learn correct hygiene techniques including correct protocol for the donning and doffing of Personal Protective Equipment (PPE).
- Explain the importance of good personal skin hygiene and efficient hand washing - including the correct use of alcohol hand sanitiser gels.
- Analyse key cleaning, disinfection and sterilisation standards in the prevention and control of infection.
- Demonstration on the use of PPE, including gloves, face masks, visors and fluid repellent aprons.

Duration

2 hours

Venue

Delivery on campus, or option of delivery at an employers venue

Certification

Uncertified

Courses are offered subject to demand. Limited places available on certain courses.
