Developing Local Talent
Fast Track Your Career in Software Development

University Credit-Rated	Duration:
Edinburgh Napier University	16 Weeks
Level 5 EQF	Full-Time

Course Overview

Kerry College is offering a **Diploma in Full-Stack Software Development** from November 2020. This hands-on course offers learners a fast track to a career in software development. Course content is industry-validated and university credit-rated. The course is suitable for people with no prior coding experience and/or those who wish to change direction and enhance their career prospects. Applicants will be asked to undertake set of challenges to introduce them to the basic concepts and assess their suitability for this course. Use the link at the bottom of this page to register your interest now.

To Apply You Should Have
- Reached the statutory school leaving age
- A genuine interest in software development
- A self-motivated approach

What Skills Will I Learn?
