# PHECC FIRST AID RESPONDER - BLENDED DELIVERY

## Course Aim

To provide learners with the knowledge and skills to be a First Aid Responder.

## Learning Outcomes

1. Recognise and Assess the causes and effects of sudden illness and/or injury in a pre-hospital environment and call for emergency medical services.
2. Provide First Aid Response for conditions not thought to be life-threatening but are necessary to prevent further harm before the emergency medical services arrive.
3. Provide pre-hospital First Aid Response in a wide range of environments including home and recreational settings.
4. Display the requisite personal skills including composure, competence and self-confidence while understanding their limitations.
5. Deal with life threatening or potentially life-threatening conditions in the pre-hospital environment until arrival of emergency medical services.

*This is a Skills to Advance course - Certain eligibility criteria will apply.*

*Courses are offered subject to demand. Limited places available on certain courses.*
