CIDESCO - SANITATION AND STERILISATION

Having experienced the impact of COVID-19 on our industry over the past months, together with requests from our members, it became evident to Kerry College and CIDESCO International that our schools, salons, spas, students and members would benefit immensely by entering into a globally recognised Award in Sanitation and Sterilisation.

This is created to enhance personal and public hygiene procedures for our staff and client's safety and security. CIDESCO have developed this Award together with a detailed Standard Operating Procedure to be offered to the global industry of beauty and spa therapists and managers.

Learning Outcomes

1. Procedures and practices for personal and public hygiene
2. Occupational Health and Safety
3. Definition of terms used in hygiene and sterilization
4. Antiseptics and Disinfectants explained
5. Sterilisation and Sanitation procedures
6. Viruses, Fungi and Bacteria explained
7. Implementing Standard Operating Procedures
8. Procedure for the best method to clean up a blood spill
9. Covid-19 industry related topics

*This is a Skills to Advance course - Certain eligibility criteria will apply.
Courses are offered subject to demand. Limited places available on certain courses.*
