TECHNOLOGY

LEADERSHIP

SOLAS learning works

Skills to Advance is a national initiative that provides upskilling and reskilling opportunities to employees in jobs undergoing change and to those currently employed in vulnerable sectors.

Benefits For Employers

Skills to Advance will support your business by providing:

- Accessible training opportunities which fit in around your business and work schedules
- Training relevant to your business needs
- Courses that respond to the changing nature of jobs and skills.

Benefits For Employees

Skills to Advance aims to equip you with the skills to progress in your current job and to take advantage of new job opportunities. It helps you to:

- Keep your skills up to date
- Improve your work options
- Get a recognised qualification
- Expand your skills
- Adapt to workplace change.
