GDPR

GDPR: Know the Requirements

- Under the principle of transparency, controllers are required to provide certain information to data subjects when they collect their personal data: -

Required Information

- the identity of the controller;
- *the contact details of the controller & their DPO;*
- the purposes and legal basis for the processing;
- *who the data will be shared with;*
- how long the data will be stored; and
- *the existence of the data subject's various rights.*

Privacy Notices

- This information is provided via
- Kerry ETB Organisational Privacy Notices; and
- Application Form Privacy Notices.

Website

- Kerry ETB Organisational Privacy Notices are **required** to be available on school/centre websites.
- *it is good practice for CCTV Privacy Notices to be available at reception and on school/centre websites.*
